

LYMPSHAM SPORTS CLUB

THE CAFÉ
ON THE GREEN

We very much regret to have to let everyone know that we are not able to continue to operate the Café in its current form.

Despite all the efforts of Sarah and our staff, the reality is that, since the Sports Club took on the management of the Café earlier this year, it has been consistently losing money and we now have to face the fact that there is not sufficient demand in our community for a café to be open on a daily basis. Continuing to run at a loss is unsustainable for the Club.

The one exception is 'Chatty Hour' which has proved to be well attended on Tuesdays. We plan to continue this and will be open on Tuesdays from 9:00 am to 2:00 pm (as now). Everybody is welcome either to join those who come regularly to 'Chatty Hour' or just to enjoy the Café on a separate table.

The Cafe will continue to be open for pre-arranged or pre-advertised events and we would hope, perhaps, to be able to open more regularly in the future if there is a demand for it. These new arrangements will take immediate effect.

Huge thanks to all those who have put such a lot of work into the Café and to those who have supported us in the last nine months or so.

If you are interested in hiring the cafe for a pre-arranged event then please contact Sarah on 07886 644299 or Facebook.

Bar opening times will remain unaffected by any of these changes.
