49/19 Affordable Housing.

31/19/00009 West Road.Residential development of 20 homes including 40% Affordable Housing provision.

Chairman Mr J Hinton explained the reason for calling this Meeting was to reconsider the Parish Council Objection to the above Application following receipt of reports from Highways and Wessex Water.

The report from Highways was discussed, and all Councillors were satisfied with the content.

The report from Wessex Water was then discussed. It was remarked that it addressed concerns and that showed that Wessex Water would work with the Development team before and during construction to resolve potential issues.

A vote was taken on the basis of both reports to reconsider the previous objection.

Four Councillors voted to withdraw the Objection, and one voted against withdrawing.-Carried.

The Council instructed the Clerk to advise the Planning Officer that the conditions put forward by Highways and Wessex Water should be upheld.

The Council's decision to support the Application was based on the expertise of those writing the reports.
